We have had a very good season for most of our Nursery Stock this year. We are able to offer a few items we were short of last year.

In case part of your order has to come by express, we will send it all together and send you some extra stock for the postage you paid on postpaid item.

We can not afford to ship out orders for less than one dollar and pay the postage. In case your order is less than one dollar, add 10c to cover part of the postage.

### WE INVITE YOU

To come to pick up your own nursery stock if you live within driving distance of Fairbury. You can see what you are getting. We have a number of other items not offered in this list. We have a nice stock of Juniper Evergreens for foundation planting in all sizes.

If you come for Evergreens, come when the ground is not frozen or very muddy. Evergreens are dug as they are sold.

We carry in stock garden plants and seeds for our home customers.

Office two blocks north of post office and four and one-half blocks west.
